The Headline Act

Bronze, whole, breast, wrapped, stuffed – we are of course talking about Turkey! With so many great options available you're spoilt for choice at Grasmere.

WATERGATE FREE RANGE BRONZE TURKEY

For over four generations, the Hunt family has been proudly farming at Watergate Farm in Bedfordshire, where their passion for quality and tradition began back in 1924. Today, David Hunt and his family continue those same values, raising their turkeys with genuine care and respect for both the birds and the land.

Their Free Range Bronze Turkeys are famous for their rich flavour and natural tenderness. Slowly matured and reared to the highest standards, the birds enjoy plenty of time outdoors, developing that beautiful depth of flavour and just the right amount of fat for a succulent, truly special Christmas roast.

Available to order in-store only. See the end of this guide to find your nearest shop.

ENGLISH BUTTERFLY TURKEY

After more than twenty years of sourcing Christmas Turkey Butterflies, we know exactly what we're looking for, and this year we've found it with an Essex farmer who believes the best birds take time. His slow-matured Turkeys develop a rich flavour and natural tenderness, with a layer of fat that keeps the breast meat beautifully moist as it cooks.

Our hand-tied Turkey Butterfly is prepared in-store by our skilled butchers and **available in-store and online**. In the shop, you can also have yours stuffed with Sage & Onion and/or wrapped in our dry-cured streaky bacon.

THREE BIRD ROAST

A true showstopper for your Christmas table — duck breast, English chicken fillets and sage & onion stuffing, all encased in a butterflied turkey breast and wrapped in our dry-cured streaky bacon. Easy to carve and bursting with flavour, it's a festive centrepiece that's sure to be remembered. **Available in-store and online.**

Other Festive Birds

Of course, it doesn't have to be all about Turkey! Why not try a Yorkshire Cockerel or if there are only a couple of you, maybe a Duck would be better suited?

SOANES CHRISTMAS COCKEREL

From the award-winning Soanes Poultry in Yorkshire, these Christmas Cockerels are renowned for their outstanding flavour and quality. Raised on family-run farms using traditional methods, Soanes' birds are slowly grown for a fuller flavour and a wonderful balance of tenderness and succulence.

Their Christmas Cockerels have won Great Taste Awards and are well loved across northern England as a delicious alternative to turkey. With a higher meat-to-bone ratio and naturally moist texture, they carve beautifully and make a truly impressive centrepiece for your festive feast.

Available to order in-store only.

FESTIVE DUCK

Our Gressingham ducks are a cross between wild Mallard and Pekin — a combination that gives them their famous flavour and tenderness. With plump, meaty breasts and a rich, gamey taste, these ducks are a real treat for the Christmas table.

Naturally lower in fat than many other varieties, they cook beautifully and deliver superb value — a delicious, slightly different choice for your festive feast.

Available to order in-store only.

DON'T FORGET
THOSE LITTLE EXTRAS

As well as these traditional festive birds, we also stock Pheasant, Partridge and traditional Chicken- all available to order in our stores.

COOKING TIPS
FROM GRASMERE FARM

Be sure to salt the rind on your pork joint to help create that extra crispy crackling that everyone will enjoy!

Lincolnshire Pork

At Grasmere Farm, we have a reputation for producing great tasting, award-winning quality products — and it starts with the perfect pork we hand-select and prepare ourselves. Available to order in-store and online.

OUR PORK

Our pork comes from Lincolnshire Pork Co, a family farm chosen for their exacting welfare standards — large white duroc cross pigs, born on-site and raised in spacious, straw-bedded barns with a vet-led health plan. From there, every joint is hand-cut, scored and prepared right here by our own master butchers, using the traditional methods we've always stood by.

Our rolled pork loins, carefully scored by our master butchers, are a real festive favourite, while the leg offers a leaner choice without losing any of that delicious taste. And if you're after something truly special, slow-cooked belly or shoulder delivers one of the most mouth-watering dishes you'll ever serve.

HOME-CURED GAMMON & BACON

Cured right here on the farm, our gammon and bacon are full of that unmistakable Grasmere flavour. Available bone-in or rolled, smoked or unsmoked, they're all prepared and ready to cook — perfect for bringing a touch of tradition to your Christmas table.

For our delicious smoked gammon, we use hickory wood chips in our own farm smoker, giving a rich, distinctive taste that's hard to beat. Our dry-cured short back and streaky bacon, also available smoked or unsmoked, is just the thing for festive breakfasts — or the ultimate Boxing Day bacon sandwich.

AWARD WINNING SAUSAGES

This is where it all began for Grasmere Farm — our pride and joy! Whatever your taste, we've got a sausage for you. From our traditional Lincolnshire and original Rutland to our Pork & Caramelised Red Onion,, every one is packed with flavour and made to our award-winning recipes.

For Christmas, many of our favourites are also available in cocktail size — perfect for parties or festive feasts. And of course, no Christmas would be complete without our Pigs in Blankets and homemade stuffing, both made right here at Grasmere Farm.

Beautiful Beef & Lamb

Fancy something different this year? Take a look at these alternative options to make your Christmas dinner a Christmas winner! Available to order in-store and online.

DRY AGED NATIVE BREED BEEF

We take great pride in sourcing native British breeds such as Lincoln Red, Red Poll, British Blue, Aberdeen Angus and Sussex — all renowned for their exceptional depth of flavour. Our beef comes from the marshland pastures of East Anglia, where cattle are naturally reared to the highest welfare standards.

Our master butchers carefully dry-age prime cuts like hindquarter and fore rib on the bone for at least three weeks, allowing the flavour to deepen and the meat to become beautifully tender. Only when it's perfectly matured do we prepare it for your Christmas table.

For the ultimate festive centrepiece, our French-trimmed fore ribs are hard to beat. The rolled sirloin offers a truly tender treat, while the topside remains a traditional favourite — full of flavour and ideal for an all-round quality roast.

LAMB FROM EAST ANGLIA

Often overlooked at Christmas, lamb is a true indulgence — and what better time to treat yourself than during the festive season? Our lamb is East Anglia Prime Lamb, reared on rich coastal marshland where centuries of traditional grazing have shaped the landscape and helped preserve its most vulnerable wildlife habitats.

These grass-fed lambs graze freely on natural forage throughout their lives, producing tender, full-flavoured meat with real depth of character. Fully traceable back to farm of origin — a responsibly reared, high-welfare choice for your table.

Our expert butchers prepare each cut with care and precision. Choose from the classic leg of lamb for roasting, shoulder for slow cooking, or a French-trimmed rack for something special — the perfect centrepiece for your Christmas table.

Simply Deli-cious!

At Grasmere Farm we produce a superb range of home-cooked meats, pork pies and sausage rolls. We also provide a great deal more alongside the old favourites, including artisan cheeses, provisions and much more!

TRADITIONAL PORK PIES

Made right here in our farmhouse kitchen in Deeping St James, our Traditional Pork Pies are prepared with care by our expert chefs to ensure they're truly worthy of your festive table. Available in a range of sizes — including a slicing pie that serves around ten — they're perfect for Christmas Eve suppers or Boxing Day buffets.

Our ever-popular topped mini pork pies are also available in a tempting variety of flavours. Whether you're sharing them as party nibbles or enjoying one all to yourself, there's something for everyone. The favourite is our Red Onion Marmalade-topped pie, made using our own homemade marmalade. For something a little different, try our Spiced Apricot Chutney topping, or for a classic combination, Lincolnshire Poacher Cheese with Real Ale Chutney. Available to order in-store and online.

HOME-CURED COOKED HAM

All our Grasmere hams are home-cured and prepared right here on the farm, then gently cooked by our expert chefs to lock in flavour and moisture. Our Farmhouse Ham can be finished with a Honey Glaze or our own Red Onion Marmalade Glaze for that perfect festive touch.

Our Smoked Gammons are also available cooked, offering that rich, distinctive flavour that makes for truly great-tasting ham. Choose from whole or half legs on the bone, or boneless joints in whatever size you need. Beautiful to look at and even better to eat, they make a stunning centrepiece for any Christmas buffet table. Available to order in-store and online.

CHEESE AND MORE

Available from our Market Gate Deli in Market Deeping, our Artisan Butchers & Bakers with Deli in Bourne, and online, you'll find a delicious selection of artisan cheeses, olives and deli favourites — perfect for your festive celebrations.

We've handpicked around thirty regional and continental cheeses, including Colston Bassett Stilton, Cote Hill Blue, Lincolnshire Poacher, Baron Bigod, and Délice de Bourgogne.

Our Deli also stocks homemade salamis, butter, Bassingthorpe milk, local beers from Grainstore Brewery, and Saints & Sinners preserves made with Lincolnshire fruit — proudly supporting local producers.
